

“A mediator between non-vegetarians and vegetarians...
and that's what we are for...
let's make this world **Eggetarian**”

When you start with the finest ingredients, the dishes that follow are fresh and creative. They describe them as delicious twists on classic dishes and new favorites worthy of foodie blogs and Instagram pics. This passion for distinctive flavors is what makes Captain Egg so unique.

Captain Egg isn't your typical lunch and dinner place. Our menu is second-to-none, loaded with fresh ingredients and creative recipes. Our executive chef continues to create dishes that will have you coming back again and again. Each location is designed to feel like a casual getaway, served up with a generous side of family, friends and friendly service.

OUR VISION & MISSION

“To serve great tasting & good quality food along with memorable service in a clean & simple ambience so that our guest comes back again for the same”

**CHEF
AKSHAT PARIHAR**

“Have traveled the world, now its time to put my feet in my home country”

When we created the MENU FOR THE BRAND CAPTAIN EGG, our vision was to create a brand that acts as a mediator between vegetarians and no-vegetarians, and then we came up with our eggy path which is full of appetite and indulgence of flavors.

The menu is specially designed by our own measured spices and fresh hand picked ingredients and created in such a way that it settles down on each and every palate, that you will be surely back to try our mouth watering delicacies with a fusion of indian and oriental cuisines specially created from my world wide traveling and culinary skills and hand selected flavors around the world and finally crafted and presented in front of the world with a creative concept as our leading chain Captain EGG.

The vision is to create a menu which includes the local authentic flavors with indulgence of tempting international flavors on a single plate.
